Dedication

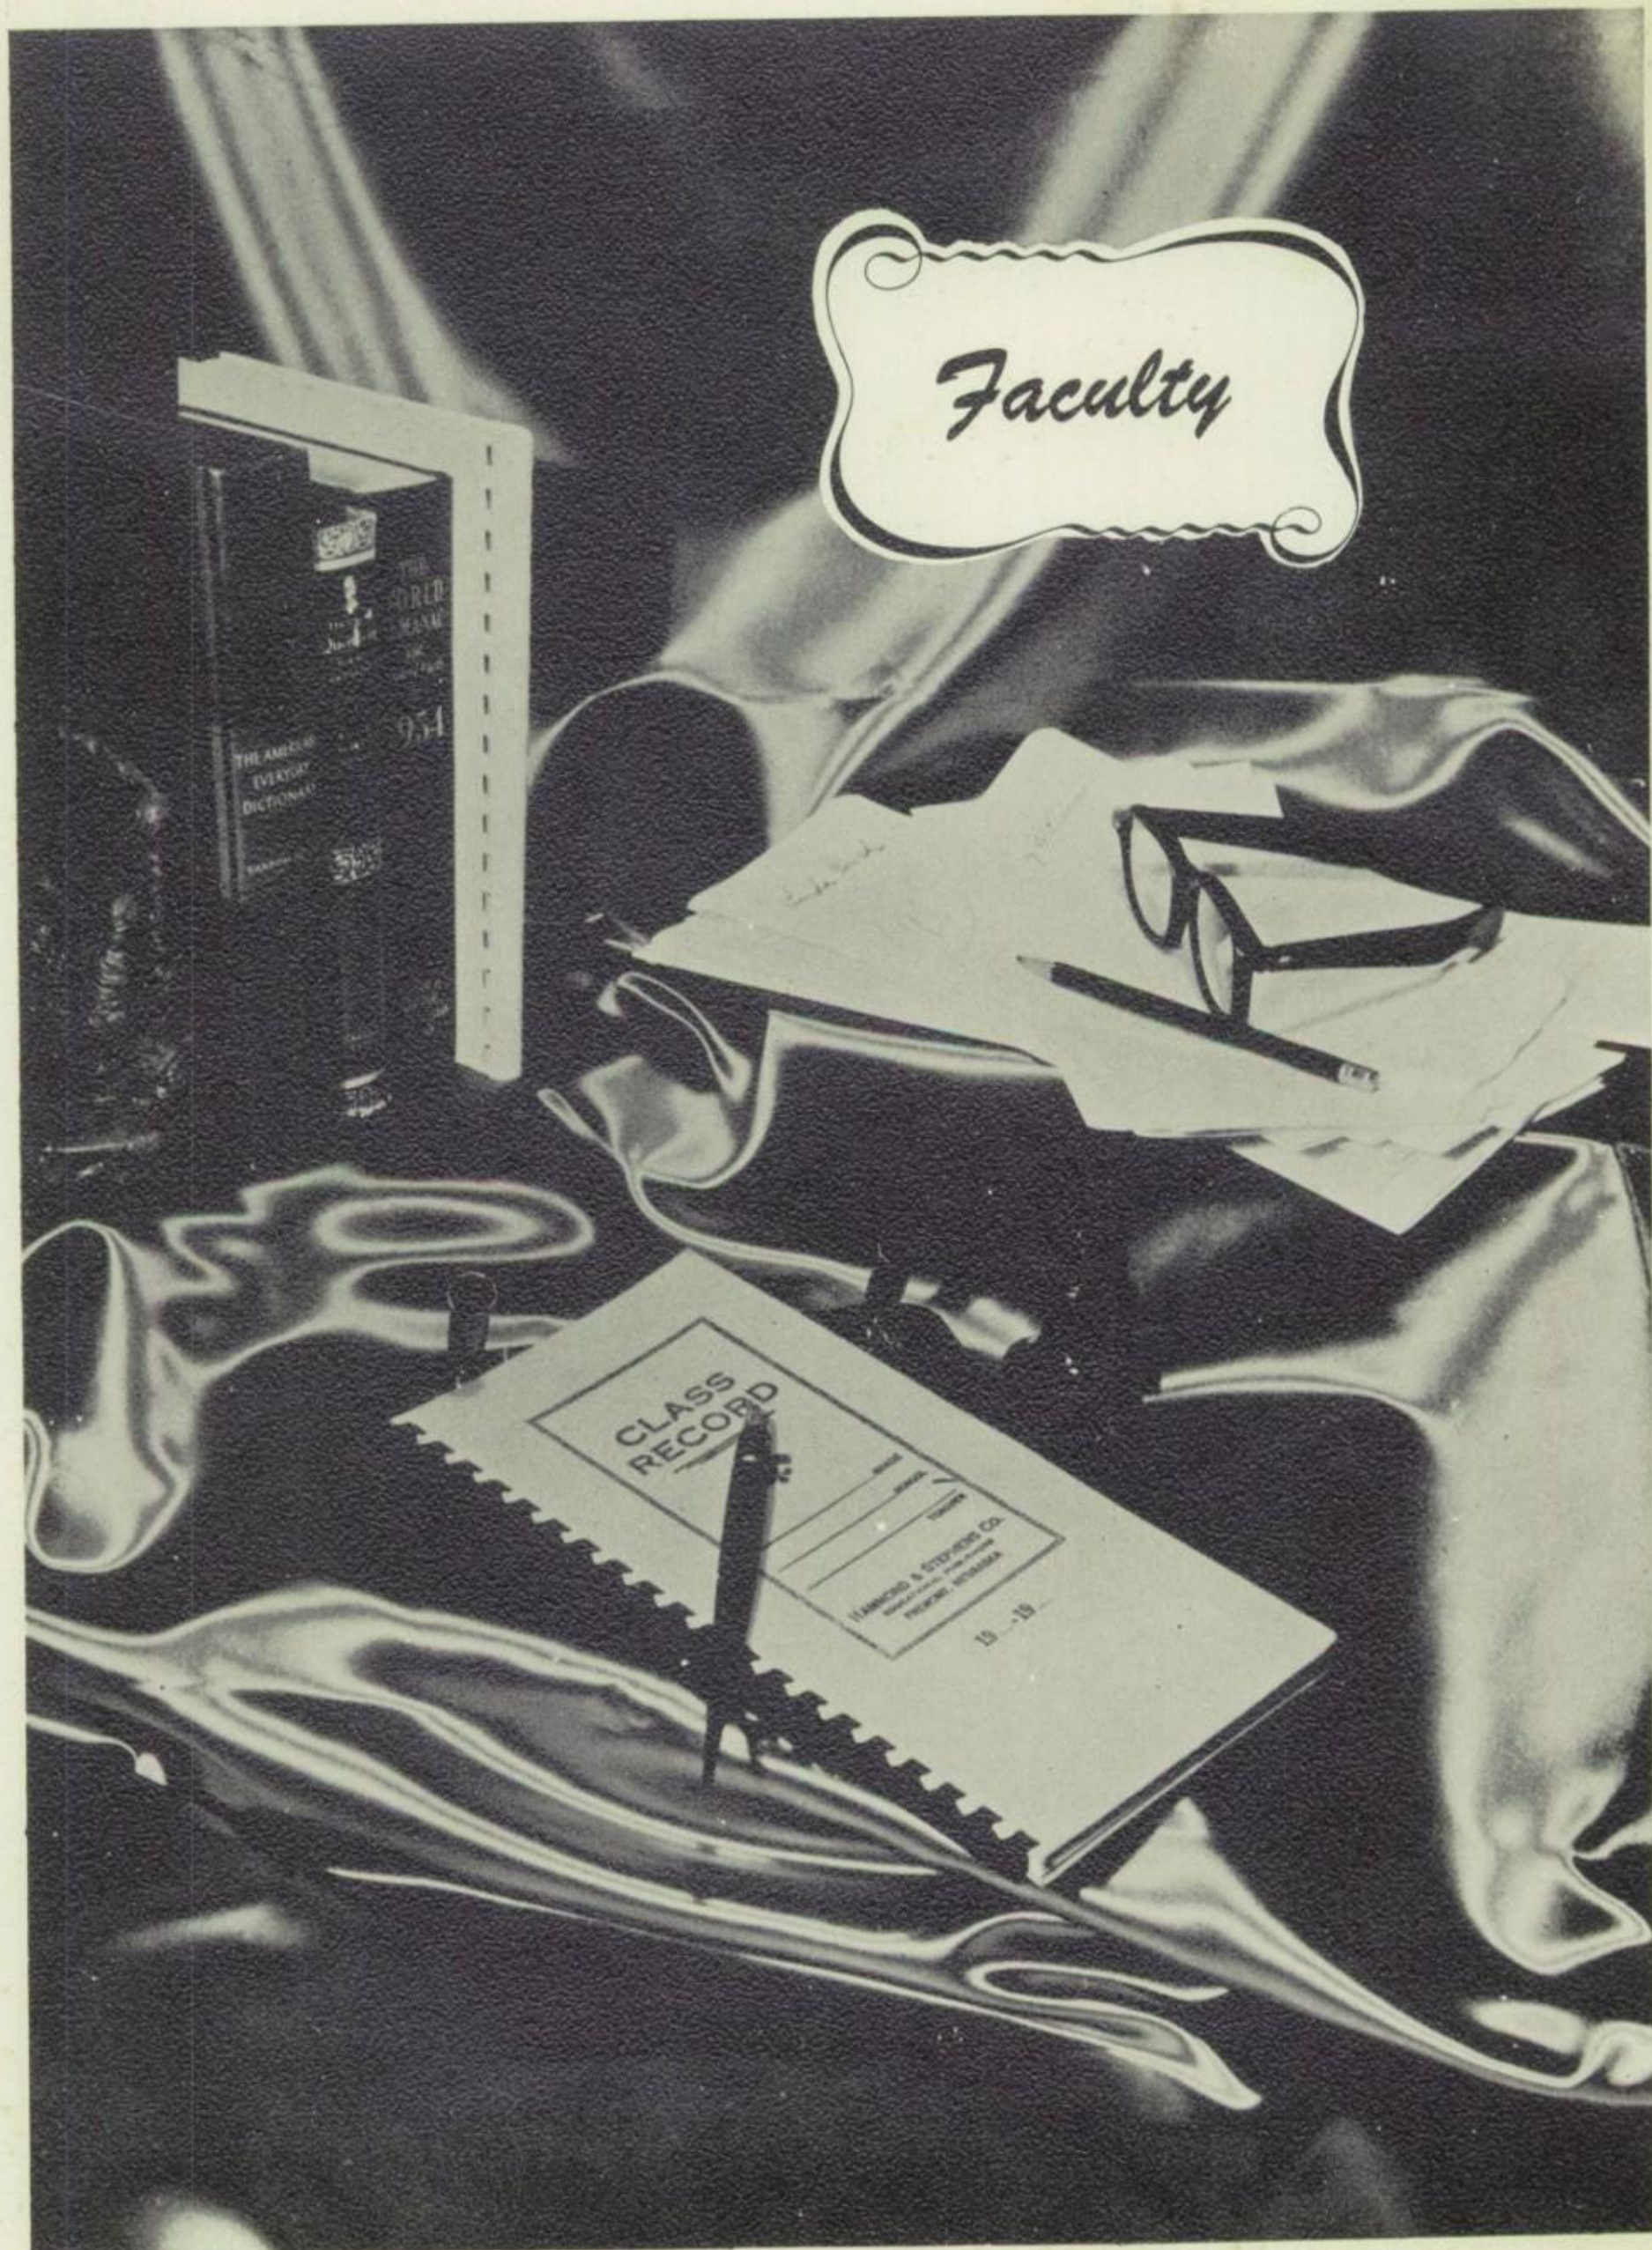

Dedication

We, the Annual Staff of Hope Rural High School have chosen to dedicate the 1958 "Lions Roar" to Mr. Ray Nonken, the wonderful person we have come to know as a teacher, coach, philosopher, and counselor. His calm nature and dry humor have made a lasting impression on all of us. During the ten years he has taught at Hope, Mr. Nonken has helped many a student to solve his particular problems. As head coach at our high school for a number of years, he made a very definite contribution to our athletic program.

It is with great sincerity that we dedicate this annual to Mr. Ray Nonken.

Faculty

Mr. Jack Sloan, as Superintendent, directs the work of the School Board and faculty, who work together to give the students of Hope High School the best of education.

LaVerna Wuthnow is our efficient school secretary.

The Administration

A building is just a building until you add a group of students and a good administration. Then instead of just a building you have a school where the youths of today are taught to be the citizens of tomorrow. School business, problems, and worries are taken care of by the people we know as our administration, and a school could not function without their work.

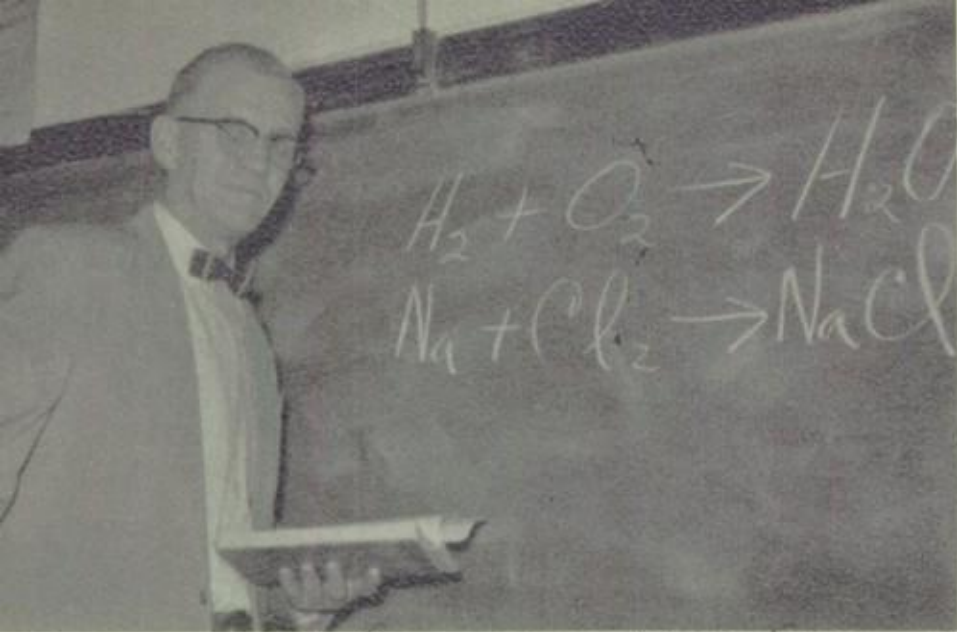

The school board members give their time for our school. They are: Royal Meuli, Director; Milton Jacobson, Treasurer; and Cecil Kuhn, Clerk.

FACULTY MEMBERS

FIRST ROW: David Roper, Florence Hatfield, Karen Gerber, Ray Nonken, Gerald Dorsch.
SECOND ROW: William Yackle, Jack Sloan, Clarence Morris, Amy Nichols, Donald Taylor.

Sincerely Ray Nonken*

Departments Of Science And Mathematics

The Math Department consists of Algebra I and II, Geometry and General Math. In these courses the students try to gain a better understanding of numbers, figures, and equations.

The Science Department gives the students a better understanding of the world in which we live, and the plants and animals in our world, also the atmosphere.

These departments are headed by Ray Nonken, a graduate of McPherson College, who provides capable leadership in these fields.

MRS. FLORENCE HATFIELD
Homemaking Teacher

Vocational Homemaking And F. H. A.

The goal for Vocational Homemaking is to help the students as family members to improve personal, family, and community living.

The Homemaking Program has three related parts. They are class experiences, F. H. A., and home experiences. Each of the three parts teaches homemaking skills, helps the individual to understand themselves, their families and the people in the world about them. In Future Homemakers of America three degrees may be earned; the Junior Degree, Chapter Degree, and State Homemaker Degree.

Home projects in the areas of family relations, foods, child care, home management, housing, clothing and health are carried out by the time the third year of homemaking is completed. These seven projects are also required for the State Homemaker Degree.

The capable Home Economics teacher is Mrs. Florence Hatfield, who received her A. B. degree at McPherson College, and her M. S. degree in 1939 at Kansas State College. She is also chapter adviser.

Vocational Agriculture And F. F. A.

MR. DONALD TAYLOR, a graduate of Kansas State College, teaches agriculture and is advisor for the Hope Chapter, Future Farmers of America. Agriculture is one of the major sciences in Hope High School. The work of the department is the practice, as well as the theory of agriculture, along the lines of soils, crops, livestock, farm management, and farm shop. The Hope Rural High School has a well equipped shop where students can do practical shop work in welding, metal work, wood work, and engine repair.

The F. F. A. is integrated with the day school program. It is an organization of, by, and for farm boys who are enrolled in Vocational Agriculture. It offers opportunities to boys in leadership, public speaking, cooperation, home improvement, and community service.

Gordon Rhodes and Tom Hinkle replace brake bands.

MR. WILLIAM YAKLE, THE HEAD OF THE SOCIAL SCIENCE DEPARTMENT, a graduate of Baker University at Baldwin, Kansas, where he received his B. S. degree. Mr. Yakle is a skillful director of the five classes in his department.

Social Science Department

AMERICAN HISTORY-This subject covers all important historical events, with the main purpose being to acquaint students with the American customs.

SOCIOLOGY-The course which every high school student enjoys, with its purpose being to adjust one another to the social world.

CONSTITUTION-This course is a study of theories, customs, development, and operation of our present day government.

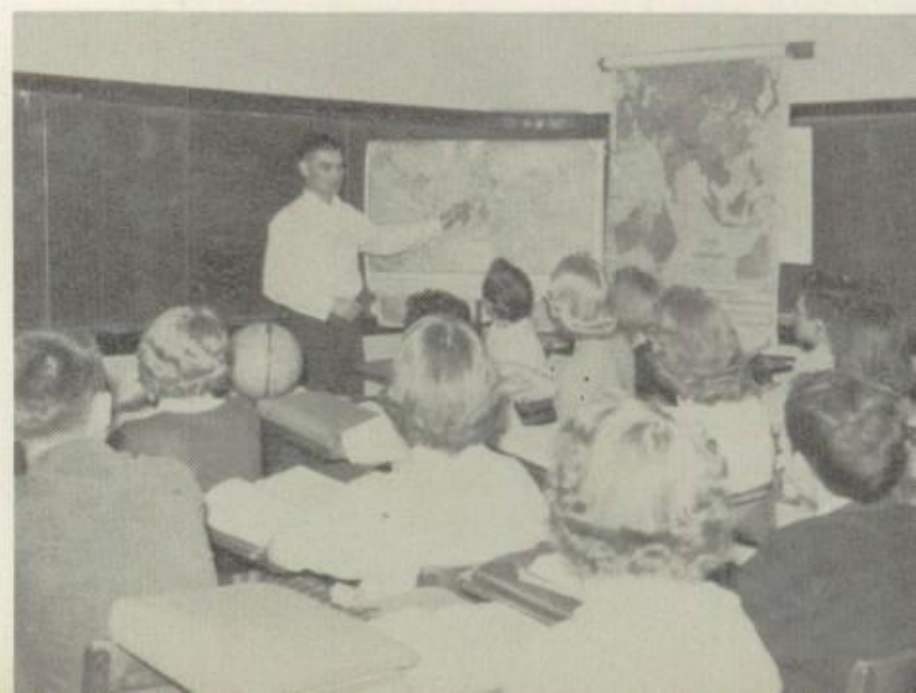

PSYCHOLOGY-The course dealing with mind, mental processes, feelings, and desires.

GEOGRAPHY-This subject deals with the study of countries, places, and their products.

Mr. Yakle explains history lesson to the Senior class.

Mr. Yakle explains lesson to government class.

English Department And Library

The purposes of the English courses are to improve the students' knowledge of the mechanics of English, to teach him proper word usage, and to strengthen his ability to express himself. The first three courses are concerned with the basic needs of the English student, with one semester of each course devoted to the study of literature. Fourth year English is a speech course. A variety of subjects are studied, they include literature, drama, public speaking, grammar, and written composition.

A marked improvement was made in the library this year with the rebinding of a number of worn books. The high school library contains approximately one-thousand volumes, which are kept in order through the year by student librarians.

Miss Amy Nichols is head of these departments.

The English IV class studies correct pronunciation.

Efficient student librarians keep the library in order.

Student librarians for this year were Clyde Herman, Anita Jacobson, Nancy Davis, Thaine Plank, Don Bohl, and Marian Tobias.

Freshman English students work on a rough grammar test.

Driver Education And Physical Education

The driver education program at Hope Rural High School is dedicated to produce well trained drivers with correct habits, skills, and attitudes. The one semester course is divided into two parts; class room work, and actual driving practice.

A physical education course is aimed at teaching the student about the human body and how to develop it physically. The course is divided into two phases, class-room study and gym work. The fundamentals of football, basketball, tumbling, and boxing were studied this year in the gym portion of the course, and were well liked by the freshman students.

Clarence Morris, a 1957 graduate of Fort Hays State Teachers College is head of these departments.

The drivers education students study how to change a tire.

To unite the school, build school spirit, and mold good citizens is the aim of the Hope High student council. This year, as in years before, the student council strives to build today for a better tomorrow.

Judy Davis, Eldon Riedy, and Glenna Schlesner model the costumes that won them prizes at the freshman orientation party sponsored by the student council.

Lyceum Programs

Included in the well-rounded curriculum offered by Hope High are the Lyceum Programs sponsored by the Bureau of Lectures and Concert Artists, in connection with the University of Kansas Extension Service. These programs are not only extremely entertaining, but are of high educational value to our students.

Dear Carmen,
 It won't be very
 long now will it. How
 you are getting married and
 I am planning 5 more years
 of school! I will do my best singing
 at your wedding. I will
 be a new experience for me
 but a pleasure!

Class or 1958 Reunion
Homecoming of 1968
Hope High School
Graduates of 1958

When they graduated not many knew what they would be doing or not be doing in the next ten years. Now, ten years later, all twenty-one have returned to "dear 'ole Hope High" for the 1968 Homecoming Reunion.

Ashley Anderson, attired in his black suit, has returned from his missionary post in the South Sea Islands where he preaches to the hula-hula girls.

Just as in high school Sharon Beltz is busy as ever. She is doing triple-duty as a clerk in the grocery store, waiting on tables at Mom's Cafe and in her spare time she takes care of the "Sauer's Seven."

Deanna Black is now a model for the "Girlish Girdles for Feminine Fatties Co." She plans to continue her work there for quite a "stretch".

The guy who never gave up in an argument in high school has now become a lawyer. Believe you me, Don Bohl hasn't lost a case yet!

Little Marilyn Brockmeier has become a private secretary to one of Herington's leading businessmen. She still has her eye on those Herington men.

Sue Brown has taken time out from her laboratory work to attend the reunion. She is attempting to perfect a new formula to remove freckles.

It seems good to have Ron Davis back too. We see he has finally traded that gold class ring for a silver wedding band.

The former Carmen Engle is now the better half in an ownership of a "Frigid Queen"! Her six children are helping as the car-hops.

As a registered nurse in the Walter Reed Hospital Carolyn Fike has "more fun" keeping the patients roaring with laughter.

Everyone is glad to hear that Eula Ilczuk has been chosen "Mother of the Year" for showing her motherhood abilities in raising such a fine son.

We understand Tom Hinkle has taken time out from his farm work where he sings "I've Got Those Milk'em in the Mornin', Milk'em in the Evenin' Blues" to be with his classmates.

Being the first woman driver for the Greyhound Bus Lines, Anita Jacobson has chartered a special bus for this occasion.

Loren Keller has become a dignified business executive. He makes his work interesting with a line of chorus girls as his secretaries.

Marilynn Klingberg who has been slaving away on that little farm just outside of town has left the four little ones (cute and mindful as can be) with Donnie.

Vonna Morgan is now the wife of a captain "sailing the seas" in their own private ship. They are fortunate in having a crew of their very own.

As a hillbilly singer Sylvia Nely is doing her own entertaining on her dude ranch in Texas.

Gordon Rhodes who couldn't bear to leave Hope High has returned to head the math and science department. He seems to enjoy working with figures!

Ronnie Riffel has replaced Mel Allen as sportscaster and is living leisurely in his single room apartment on the \$64,000.00 he won on a sports quiz program.

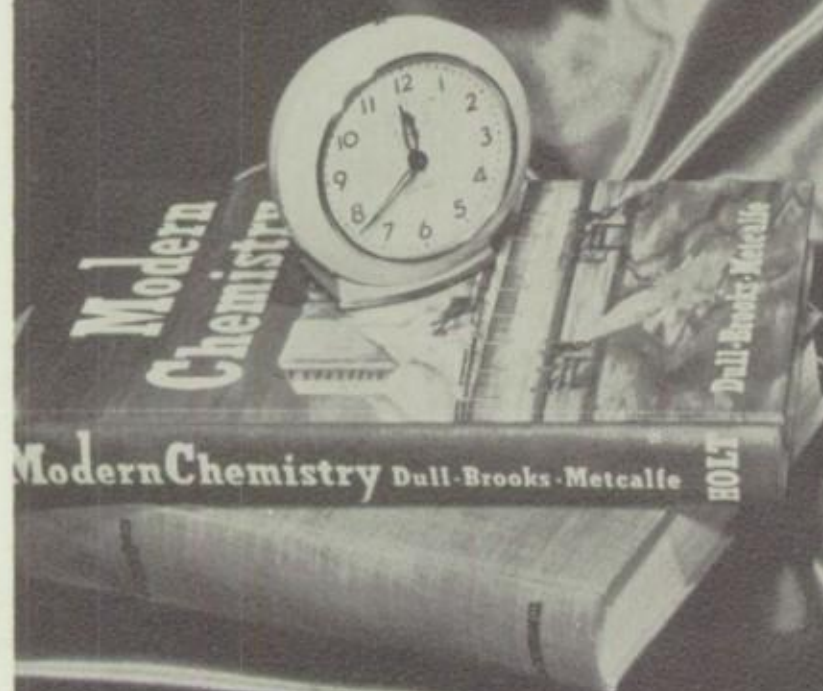

The class of 1958 even has a celebrity, Donna Stroda, who was elected Miss America for 1968. We were sorry to hear that she had to give up her title when her nine little ones came to congratulate her.

At the Forbes Air Force Base in Topeka Marie Tobias is the head secretary and bookkeeper to General Mike.

We are glad to find that Pat Wooster is doing quite well with her thirty children. Don't get us wrong; she is now a school teacher.

So we spend the rest of the evening chatting about the good 'ole days in 1958.

THIS ANNUAL BELONGS TO

Dear Carmen

Well school will soon be
at and us girls will be parting
each other. I sure ^{hope} to see you
leave. I enjoyed you very much
in my class these years. You
were a very nice friend of
mine. I sure will remember the
nice times we had. I will
remember the time we went to
the show. I had a nice time
too. I will also remember you as
a very nice friend. I wish you the
very best luck in your marriage
and a happy future ahead of you.
Best Wishes to you in the years to
come.

A Senior friend
Sylvia Nely

I can't think of much to
write. I can't brag about
American History because
I never got that good of a grade.
It sure was hard wasn't it.
Well I wish you all the
luck in the world and I
hope you never come
up against anything like
American History again.

Good Luck and
Best Wishes from
A Senior Classmate
Ron Davis

Dear Carmen,
 I've really enjoyed going to school
 with you. Soon it will all be over.
 I can't wait. I hope you and Marvin
 will be very happy together and write
 me a letter once in a while, if we can't
 see each other. Remember the shows we
 went to together and also those double
 dates. I'll never forget the work in
 that kitchen. Good Luck in the future.

A Senior friend,
 Maulyr

Carmen -
 It's surely been nice
 knowing you all these
 years and going to
 school with you this
 year. In less than
 two weeks you will be
 married. Good luck to
 you and Marvin. I'm
 sure you have a very
 successful life ahead
 of you. Come see me
 sometime if you're
 ever in that neck
 of the woods. You'll
 always be welcome you
 know. Good luck, kid.

Always,
 friend
 Carolyn

Carmen -
 well, we made it through
 high school I guess. We had a good
 time during time we were here -
 flunking history tests and
 things like that. I really
 wish you all the luck in
 the world - you are a swell
 gal to know -

Dear Carmen,

It sure has been fun
going to school with you
and knowing. You sure
are luck to be out of
school. Boy I wish I
was out of school. Take
good care of Marvin. He
best of luck in the future.

A friend,

Clarice Bryant

Carmen

I've really had a lot of fun
with you and enjoyed
going to school with you
very much. We've really had
a lot of good old "gab-sessions".
You will have a very happy
married life I know. Best of
luck always!

Your friend

Carmen, here
it is! Well, I
school. My last
has gone fast. I want you
to be a very good wife for
Marvin. That is an order! He
Best of luck with Marvin and
in the future. A senior friend + classmate,
Danna

Dear Carmen -
Best of luck & a real
fine girl. Who enjoyed
having you around. Take
good care of Marvin &
keep Marvin's pictures
on while we are in
K.C. - Best Luck -
A Senior Classmate
& friend - Danna

Dear Carmen -
I have enjoyed going
to school with you. Remember
one of the good talks we
had in office practice, when we
should of been doing our work.
Lots of luck and success in
your married life.
Your friend,
Marilyn R.

Carmen,
I enjoyed working with
you in the kitchen,
Especially all the gossip.
Lots of luck in anything you
happen to have. A Sophomore
Mary Ann

Dear Carmen,
 This has been a
 pleasant year being in
 school with you. Good luck
 and success!

A Junior Friend,
 Mary Rhodes

Hi Carmine,
 I wish you
 all the luck in the
 future. Take real
 care of Marvin.
 A friend,
 Jan

Dear Carmen, it is really nice to
 know you. You have
 been such a good friend &
 this year. I'm so glad I
 got to know you. I hope
 we had the wonderful treat
 of getting all the times
 machines in the office. It was
 was awful to try to get off. Best
 of luck to you. I do
 appropriate to say to, Carmen.
 mean you future will be one of
 hope not happiness and may
 you. A friend,
 Marie

Hi Carmen,
 I have enjoyed
 listening to all the
 gossip you had to talk
 about in short hand when
 Mr. Dackman was in
 class.
 A classmate,
 Marvin

Dear Carmen,
 I hope you
 will have
 a good time
 in your
 future.
 A friend,
 Marvin
